JUDGMENT

I do not propose to examine the genuineness of the grievance voiced by the petitioner. According to the petitioner, on account of the unauthorised activities which have been taken up by the 4th respondent, the petitioner and members of his family are being put to considerable hardship. Since Ext.P1 has been submitted by the petitioner before the 1st respondent, it is only appropriate that the first respondent considers the same and take a decision. Accordingly, this Writ Petition will stand disposed of in the following terms:

The first respondent will take up Ext.P1, consider the same in the light of the various grounds raised in the Writ Petition, hold necessary enquiries with the concerned authorities, namely, respondents 2 and 3 and take a just and correct decision on Ext.P1 at the earliest and at any rate within three months of receiving a copy of this judgment together with a copy of the Writ Petition and all the exhibits.
